Public Sandbox Trust Infrastructure Roundtable

03.07.2024

Collaborate
and
learn from each other

Agenda

- Q & A
- Next steps & how to proceed the roundtable

Q&A Session

Preparation for PublicBeta launch -> Business Use Case can be developed indipendently. And integrate the Trust infrastructure later on as soon as it’s available.

Idea for a SSI Lab (evtl. with DIDAS) to collaborate in a lab-environment on new ideas and use cases.

Next Steps

- Participation Meeting 4. July 2024; One Topic will be the Public Beta (Sandbox 2.0)

- Next Public Sandbox Roundtable: What are your wishes for this format?
  We freeze the meeting for the moment until we have the tech-decision from the federal council. Then we as BIT will again invite to a new roundtable meeting.
