Q&A Session

Question: Multi-Endorser for the Public Sandbox
Answer: Atm there is no action towards a multi-endorser in the actual tech-stack.

Q: OSS for Issuer/Verifier available GUI/Interface?
A: Atm there is no Code available (at least in the roundtable-knowledge)

Information from participants

Feel free to share:

- **Requests for Collaboration & Ideas**
- **Your current Status**
- **Issues & Wishes for the future**

Please raise your MS-Teams virtual hand if you wish to speak.

Next Steps

- Participation Meeting online on 2th of November
- Hybrid Participation Meeting on the 1st December 2023
  - There is always interest to demo use cases and learnings from your use of public sandbox during the participation meetings.
  - Feel free to get in touch with Rolf regarding this.

- We meet us in the roundtable again in December/January (new Polling will follow…)
